

## **Warfare Prayer to Cancel Attacks of Frustration & Discouragement**

To cancel an attack of the enemy, you can speak this prayer OUT LOUD (don't do this one silently but out loud and very boldly!):

In the mighty Name of Jesus Christ my King, I cancel every assignment and attack of frustration and discouragement that have been sent against me. I crush them to nothing under my feet right now and cast the dust into the fires of hell. I chain together all the demons assigned under these and cast them into the deepest darkest pit in hell and I command you demons to STAY THERE and await the judgment of the Most High God in Jesus Name! You are forbidden from ever returning to me again for all eternity! GO NOW in Jesus Name!!
