

PRAYER AGAINST WITCHCRAFT OR SPELLS SENT AGAINST YOU

In Jesus Name, I cancel every witchcraft or spell that has been sent against me, whether specific or generic, and I crush it under my feet. I bind every demon assigned against me under these witchcrafts or spells together and I cast you into the Abyss, never to return to me again, in Jesus Name.

Lord God in heaven, I pray You would restore to me anything that has been taken, destroyed or negatively affected by any of these assignments of witchcrafts and spells, to better than it was before in Jesus Name – for Your Glory, Lord!
