

PRAYER FOR THE UNSAVED

Lord I just lift up _____ to You right now. Lord I pray, that You would make _____ sick of his / her sin. I pray You'd make him / her so tired of his / her sin, that he / she would run the other way - run TOWARDS You, instead of from You.

Now Father I pray, that You would draw _____ with Your spirit. Because Your Word says, that nobody can come to Jesus unless You draw them. So I ask You to draw him / her Lord. I know that Your arm is not too short to save. Because John 3:16 says, it's not Your will, that any should perish. Jesus came to save the lost. I was once one of the lost too, Lord.

Lord I pray that You would awaken _____'s spirit. Awaken it Lord. Awaken it to You. I pray that You would pour out Your repentance on him / her Lord. And I pray, that You would give him / her a heart to seek You. I pray that You would reveal Your great love to him / her, Lord God. So that he / she would just fall in love with You. Now I pray Lord God, that as You once did on me, that You would have great, great mercy on _____ Lord God. And that You would save him / her. And You would help him / her walk into his / her calling. And be happy, and at peace. Because that is the only way that we can really be at peace in this life - is when we're serving You. And I ask it in the mighty name of Jesus. And I claim him / her for the Kingdom. Amen.
