

## WARFARE PRAYER AGAINST FATIGUE

In the mighty name and authority of Jesus Christ of Nazareth, I plead and pour the precious and powerful blood of Jesus over\_\_\_\_\_, from the top of his/her/my head to the soles of his/her/my feet - inside and outside, all throughout his/her/my entire body's system. That the blood of Jesus permeates all essential and vital organs, bones, cells, muscle, tissue, nerves, veins, and everything else in his/her/my body. I bind and curse the root of those headaches and fatigue/tiredness, and command them to burn, dry up, wither, die, dissipate, and leave\_\_\_\_\_ - body, soul, and spirit RIGHT NOW!!! In Jesus' name you are forbidden to return to me/him/her ever again!

I send them and everything else associated with them, to the deepest fiery abyss, and command you to STAY THERE until your time of judgment comes. I break and cancel, every assignment sent against \_\_\_\_\_ RIGHT NOW, and command, decree and declare that there absolutely be NO retaliation in any shape or form whatsoever, against this prayer,\_\_\_\_\_ or myself. In the mighty, and matchless Name of Jesus Christ of Nazareth, AMEN, AMEN, and AMEN!!!
