

PRAYER FOR FINANCIAL INCREASE

Lord God in heaven, I thank you that it is always your will we prosper even as our souls prosper. In fact, Ps 35:27 says that you have pleasure in the prosperity of your servants.

I praise you that you rebuke the devourer from our finances and other things and the people we love when we tithe & offer (Mal. 3:10)

I am so glad you said you will supply all my need according to your riches in Christ Jesus, which we know are very great.

As I have been diligent to obey your Word and I have given careful attention to obeying your commands, I believe you shower on me the blessings so large I cannot even contain them.

As I have honored you with my possessions and the firstfruits of all my increase, I know my barns will be filled with plenty and there won't be any lack in my house. Prov 3:9-10

Luke 6:38 says as I give it is given back to me, pressed down, shaken together and running over and I do give, Lord and I am giving even more this week. I know you are faithful to watch over your word and perform it and you will not fail to increase me.

I know you love a cheerful giver Lord because giving cheerfully giving shows you I have faith I will not be without. I trust You to provide for me and for my loved ones. I put my trust in you and your word Lord that everything is going to be alright. I praise you that I have abundance and no lack!

I know that if I plant only one seed, my harvest will be tiny, so I am planting more, Lord God, and into good ground for the Kingdom of God.

In Jesus Name, I command ALL lack to be gone right now!!

In Jesus Name, I command the blessings to come now!

In Jesus Name, I command everything the enemy stole from me to come back NOW!

In Jesus Name, I command every valuable thing that was lost to be returned to me Now! I praise you Lord that the thief caught must repay 7 fold! I call in the 7 fold return on all that has been stolen from me. I know you will deal with the thieves, Lord.

In Jesus Name, I call back to me every valuable thing and all monies that were obtained from me by deception – WITH INCREASE.

I know Lord you do not take it lightly when someone steals from one of your children, especially those who labor for you full time!

I praise you, Lord that because I follow biblical principles set out by you for your children, there is now abundance and NO LACK in my life. I have more than enough at all times. You are well able to sustain your people and even prosper us in the midst of any economy Lord – there are NO recessions in heaven.

I praise you for abundance and no lack in my life.
